Any legal fees or any other costs associated with the collection of this debt shall become the responsibility of the Customer. Customer gives us all rights to reclaim unpaid products along with egress or ingress rights to the property where product sits and Customer shall also still be responsible for loading and trucking away of product in question back to our facility it was loaded at, if soil or mulch is contaminated or non-resalable then Customer shall be liable for damages and payment.

Zippy's #2 Dump Site ... 319-241-8653 Jeff or call Cody.

**DUMP SITE IS MONITORED and Violators will be prosecuted.**

We want dirt or gravel. By using this dumpsite you agree to a Violator's Fee of \$500 for each load that is not in compliance with the rules as follows:

- Check-In is Required ... contact us for directions as to where to dump your load and what you are bringing.
- NO CONCRETE
  - Loads with 50% dirt can have concrete chunks not over 20lbs. NOTHING BIGGER
    - No wire or re-bar ... period.
- NO DEMOLITION
- NO GARBAGE
- NO TREES
- NO Brush or Lawn Clippings unless mixed with 75% dirt.
- NO loads during or directly after rain or wet conditions that would damage the driveway
  - NO tracking mud onto Secrist Road ... period.
- Placement of loads is not accidental ... driver ignorance is still your responsibility.
- If you have multiple loads you will be asked to donate fuel or bring your own dozer to push the piles.

IF YOU DISAGREE WITH ANYTHING ABOVE HERE ... THEN DO NOT COME HERE.
