

# CLASSIC Blend Ice Melt

- ✓ Melting Power -15°
- ✓ Calcium chloride
- ✓ Kiln dried
- ✓ Fast melting
- ✓ Breaks the bonds of ice and snow
- ✓ Economical

**Classic Blend** is an economical ice melt that breaks the bonds between ice and surfaces and is potent enough to melt to -15° while being safe to handle when used according to directions. It contains calcium chloride, sodium chloride, and is kiln dried. It is designed to dissolve quickly so that there is less tracking indoors and leaves a brine film to help reduce additional icing that may occur afterwards.

**Classic Blend** is designed to meet stricter budgets and still give the melting power of -15° that you need.

*Pets: We do not describe our products as pet safe because each pet can react differently and be more or less sensitive than others, so please keep close attention to your pet if it comes into contact with product. All ingredients are natural and safe but each pet and incident is varied and therefore you should use caution when using this product.*

*Safety and Directions: Always wear eye protection, gloves, and proper clothing and rinse your hands and eyes thoroughly if you come into contact. Always read product directions before using this product. It is always best to make multiple applications versus a heavy application.*

*No warranty is implied or expressed including but not limited to merchant ability or fitness for a particular purpose is made concerning this product.*
