

EXTREME Blend Ice Melt

- ✓ Tailgate, Poly & Auger Spreaders
- ✓ Melting Power -15°
- ✓ Rust inhibitor
- ✓ Corrosion Protection
- ✓ Leaves a non-tracking brine film
- ✓ Anti-caching agent
- ✓ SCREENED for less fines
- ✓ Calcium chloride
- ✓ Organic polymers
- ✓ Non-staining water soluble color
- ✓ Breaks to bonds of ice and snow

EXTREME Blend is designed specifically for **Tailgate, Poly & Auger Spreaders**, as it is screened to reduce the amount of "fines" because these are a major cause of tailgate and poly spreaders becoming clogged. With a -15° melting power to break the bond with surfaces, as it dissolves quickly with less tracking indoors and still leaves a brine film to help reduce any refreezing afterwards.

EXTREME Blend also has **calcium chloride, anti-corrosion, rust inhibitor**, sodium chloride, **organic polymers, anti-caching agent**, and other proprietary ingredients and safe to handle when used according to directions. Its **water-soluble color** will not stain surfaces when used as directed.

Pets: We do not describe our products as pet safe because each pet can react differently and be more or less sensitive than others, so please keep close attention to your pet if it comes into contact with product. All ingredients are natural and safe but each pet and incident is varied and therefore you should use caution when using this product.

Safety and Directions: Always wear eye protection, gloves, and proper clothing and rinse your hands and eyes thoroughly if you come into contact. Always read product directions before using this product. It is always best to make multiple applications verses a heavy application.

No warranty is implied or expressed including but not limited to merchant ability or fitness for a particular purpose is made concerning this product.
